

IN AND OUT: This course has 3 sections, each numbered with a different color cone. Each team starts with 50 points and must finish within standard course time and have at least 50 points at the end in order to qualify. 5-point faults are off courses, dropped bars, and missed contacts. Failure to complete is a disqualification. If you incur a fault, you may negate it by repeating that section of the course. If you complete the course in less than the course time, the remaining seconds are added to your score. JAZZ 1/19/13
