

### Double Boxes Game

Time is 45 sec. for small dogs and 40 sec. for large. 5 second advance buzzer and lose one point for every second over final time/ second buzzer (like in CPE Full House). Table is live throughout and ends game.

Accumulate as many points as you can in allotted time. Can do each obstacle twice for points. The obstacles within the 2 boxed rectangles are worth double points if you complete them with handler outside the boxed area - otherwise regular point values if handler steps inside boxed area.

Point Values (undoubled):

- Jump: 1 pt.
- Tunnel, Weaves, Double Jump : 3 pt.
- Contacts: 5 pt.
